CARS Involved In Inaugural Event Of San Andreas Get Up ,Show Up

The Calaveras Amateur Radio Society was asked to provide radio support for the first annual event which featured fitness orientated activities. Such as a Kids Fun Run, 1 mile Legacy walk, 5K or 10K walk or run. The San Andreas community did Get Up and Show Up with over 250 participants signed up.

The Calaveras Club would like to thank Walt K6WGY, Walt is a seasoned veteran as Net Control for such events through out the year having participated in the Death Ride, Arnold Rim Trail Run and Field Day. Jack, W6JAK (club sec) and ARES/RACES representative for our area handled duties at the cattle guard check point. Steve W6RXK our club president handled the 2.5 mile check point. Lastly KB6USJ vice president elect handled the 3 mile turn around. The San Andreas participants were out to have some Fun! This event will again be on the calendars for 2027.
