### A Visit To Marine Station KPH

A group of our members trekked out to Point Reyes to visit the ship to shore marine radio station KPH, the staff at KPH spent a good deal of time with us explaining the history of the station and its purpose of passing and receiving messages from ships at sea. The photos below tell a small story of our visit at the receiving station. Two members went on to visit the transmitting site in Bolinas and later joined up with us, many of their pictures will also be posted soon. Another opportunity was to use a straight key to send a Morse code signal on the Amateur CW Bands to other Amateurs who would be listening.

**The Last Decade of Western**  
 The formation of MCI was a result of a series of events that began with the founding of RCA in 1928. In 1985, RCA was sold to GE, and in 1986, GE sold it to MCI. This was a significant event in the history of the company, as it marked the end of RCA's ownership of MCI. The following table lists the key events in the history of MCI:

- December 11, 1928: RCA is founded by David Sarnoff.
- May 1985: GE acquires RCA.
- July 1986: GE sells RCA to MCI.
- January 1987: MCI acquires Western Union.
- 1997: MCI acquires WorldCom.
