A Visit To Marine Station KPH

A group of our members trekked out to Point Reyes to visit the ship to shore marine radio station KPH, the staff at KPH spent a good deal of time with us explaining the history of the station and its purpose of passing and receiving messages from ships at sea. The photos below tell a small story of our visit at the receiving station. Two members went on to visit the transmitting site in Bolinas and later joined up with us, many of their pictures will also be posted soon. Another opportunity was to use a straight key to send a Morse code signal on the Amateur CW Bands to other Amateurs who would be listening.

1985

The Last Decade of Western
 The formation of MCI was a direct result of the fact that Bell's basic R&D financing was of the variety of a one-time payment and non-recurring investment in the form of the patent.

December 11, 1980
 MCI announced the acquisition of a license from Bell.

May 1982
 MCI was established as MCI Telecommunications Corporation, which acquired Western Union's international long distance telephone service.

July 1982
 MCI announced plans to acquire Western Union's long distance telephone service.

July 1982
 MCI announced plans to acquire Western Union's long distance telephone service.
