### A Visit To Marine Station KPH

A group of our members trekked out to Point Reyes to visit the ship to shore marine radio station KPH, the staff at KPH spent a good deal of time with us explaining the history of the station and its purpose of passing and receiving messages from ships at sea. The photos below tell a small story of our visit at the receiving station. Two members went on to visit the transmitting site in Bolinas and later joined up with us, many of their pictures will also be posted soon. Another opportunity was to use a straight key to send a Morse code signal on the Amateur CW Bands to other Amateurs who would be listening.

1985

**The Last Decade of Western**  
 The formation of MCI and its subsequent acquisition by WorldCom is a story of corporate survival and transformation. This decade marks the end of an era for Western Union, a company that has been a part of American history for over a century.

**December 31, 1984**  
 MCI acquires Western Union's long distance service unit.

**May 1985**  
 MCI acquires Western Union's telegraph service unit.

**June 30, 1985**  
 MCI acquires Western Union's teletype service unit.

**July 1, 1985**  
 MCI acquires Western Union's data service unit.

**August 1, 1985**  
 MCI acquires Western Union's international service unit.

**September 1, 1985**  
 MCI acquires Western Union's local service unit.

**October 1, 1985**  
 MCI acquires Western Union's long distance service unit.

**November 1, 1985**  
 MCI acquires Western Union's telegraph service unit.

**December 31, 1985**  
 MCI acquires Western Union's teletype service unit.

## WFD 2025

Provided by Mark Godbout N6IV

Wrap up.

N6FRG WINTER FIELD DAY 2025

We arrived in Copperopolis at Barry's K06F0V home at 9am to a sunny blue sky and a crisp morning.

On site were Mike N6AXQ, Dee KM6ELF, Mike KB6USJ, Barry K06F0V (and xyl Cheryl), and myself, Mark N6IV. Helen KM6ELE arrived later to join the fun.

We set up a 40m doublet at 35feet, a 2 m Fm j.pole, and a 40m/80m wire antenna.

Qso's were to be had on 40m, 20m, and 10m. No contacts on 2m and we did not try 15m.

Propagation was fairly decent. We contacted HI, UT, WWA, OR, AZ, STX, NTX, ID, BC, MN, OK, NV, SDG, SF among others.

Helen and Barry made their first contesting qsos so now they are addicted like everyone else.

Clouds finally ensued and the temperature dropped to the point we said qrt.

We all are thankful to Barry and Cheryl for the accommodations, hot coffee, and homemade coffee cake.

All in all we had a good time and it was worth braving the elements for some good fellowship and ham radio.
