A Visit To Marine Station KPH

A group of our members trekked out to Point Reyes to visit the ship to shore marine radio station KPH, the staff at KPH spent a good deal of time with us explaining the history of the station and its purpose of passing and receiving messages from ships at sea. The photos below tell a small story of our visit at the receiving station. Two members went on to visit the transmitting site in Bolinas and later joined up with us, many of their pictures will also be posted soon. Another opportunity was to use a straight key to send a Morse code signal on the Amateur CW Bands to other Amateurs who would be listening.

1985

The Last Decade of Western
The formation of MCI was the result of a series of events...
December 11, 1980
MCI is established by the merger of MCI Telecommunications Corporation and Western Union International
May 1982
MCI acquires Western Union International
February 1985
MCI acquires Western Union International
June 1985
MCI acquires Western Union International
June 1985
MCI acquires Western Union International
