

# SAN JOAQUIN VALLEY SECTION

## Report for the month of

### November 2014

SM Dan Pruitt, AE6SX- ASMs K6YK  
and N2NS, ACC W6DPD, SEC KF6FIR,  
00C N1VM,  
STM K6RAU, PIC K6QI, TC W6TE.

November usually means fall season and Thanksgiving. Color of red and gold, cool weather, leaves and fire in the fireplace are all motifs of this season. We, as amateur radio operators, also think of projects that start the holiday season. Charity events, parades and functions that will lead to the Christmas season in December.

We also tend to socialize with potluck dinners and simple meetings of our clubs, reminiscing the clubs accomplishments. We also finish our contesting and start planning for projects that we wish to accomplish after the weather breaks. It is the time to create committees and install officers for the next year over good food and coffee.

We also pull up the plans to cover us through the winter season. This includes road and traffic nets, repeater checks, ARES training

and  
practice, checking your equipment and go bags and generally  
planning  
for the worst and hoping for the best.

A couple of new items: One shows the importance of initiating  
the youth  
to amateur radio. The IARU has instigated an all December  
event that is  
called YOTA (youth on the air). Much like jamboree on the air  
except  
you attempt to make contact with stations sporting a YOTA call  
sign  
suffix anywhere in the world. This should be fun as well as  
giving you  
an opportunity to allow anyone under the age of 22 to operate  
and  
contact those stations with third party reciprocating  
agreements. Give  
it a try especially if you have connections with organizations  
that have  
younger individuals.

Your section emergency coordinator has developed a site for  
the  
emergency coordinator's and district emergency coordinator's  
to leave  
and receive information. This can be contacted via Email to  
kf6fir@kf6fir.net and registering. Ed, KF6FIR, will then send  
you a  
confirmation Email. The next time you log in, you will be  
able to see  
all that is available.

Pacificon will be returning to San Ramon in 2015 and will  
return to the  
third weekend of October. I am looking forward to being  
catered by the

facility there. Hope to see you there.

Remember to support HR4969 and get your letter to ARRL and your  
Congressional Representative. Go to the link on the ARRL  
website,  
<http://www.arrl.org/hr-4969>. We have to start now for the big  
push  
next year.

73;

Dan Pruitt, AE6SX
