

SAN JOAQUIN VALLEY SECTION

Report for the month of

February 2015

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, OOC N1VM,

STM K6RAU, PIC K6QI, TC W6TE.

San Joaquin Valley, never a dull moment! Thank you all for the good

wishes during my vacation in Hospital. I was very grateful.

While I'm on my own adventures, I was visited by the Red Cross concerning an exercise that was being planned for March or April. The

purpose was to familiarize Red Cross Shelter personnel to understand

traffic handling. First in a round table then in a field exercise. I

am glad that they are seeing the need for the training and that we

agree on focusing on the use of "ICS form 213" as an upgrade of

the old Red Cross Form 1!

I am seeing a lot of good things coming up (DXCC phone, QSO parties,

Museum Ship Weekend and in May is a "USA Islands" operating event

intended to activate any island in any body of water in the USA. It is

not a contest but looks to be great fun.

I'm hearing from some older established Clubs in the Section. It is

one of my pleasures to exhibit "Ham Radio" as we are today. Keep

your special interests coming and I will add them to the Section

Report.

The "Amateur Radio Parity Act" is again on the House Floor as bill

HR-1301. I urge you all to tell your fellow Hams to write your

representatives and thank them for their support or recommend they join

in as co-sponsors of the bill. ARRL has set up all the resources at

www.arrl.org/hr-1301 .
