

Museum Ship Weekend – USS Lucid

Below is the info for the Museum Ship registered in San Joaquin Section.

This weekend N6MS0 will continue to remind us that all contribute in times of strife and WWII is remembered here. She is the USS Lucid in Stockton, an ocean going minesweeper of the type built in Stockton during WWII.

"...Check out more info and pictures from last year at W6SF.org ..

The Lucid Radio Group will broadcast from the ship's site at 3100 Monte Diablo Avenue, Stockton, CA. see ya there....

Museum Ship Weekend 2015

The USS Lucid Radio Group has been working diligently to prepare for the June 5-6-7 weekend where we will fill the air waves with "CQ CQ CQ from N6MSO" .

Come join us any time from Friday eve to Sunday morning.
