

May Section Report SJV

SM Dan

Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, OOC N1VM, STM K6RAU, PIC K6QI, TC W6TE.

What great Hobby!!

There are so many things going on, Satellites, Digital modes, ATV, tracking, remote controls, linking and on and on. Not the least of

which is operating in an event that perks up your ego and inner child.

Again there are many, IOTA, SOTA, DXpeditions, Indy races etc. This

last weekend was Museum Ships Weekend and coming up is Field Day.

First let me give a personal account of Museum Ships Weekend. The

Stockton Club (W6SF) has been working to restore both a WWII bomber and

the USS Lucid. Just check out the web pages at USS Lucid (just Google

USS Lucid) and N6MS0 her radio call sign on QRZ.com. There are

pictures on the W6SF website. Well to say I had a great time would be

an understatement. I was welcomed by all and made to feel right at

home. Good Hams! Even more, Paul N6KZW was the ramrod and crowd

pleaser. His hospitality was unbeatable. At this point I would have

to rattle off a whole list of calls but let it suffice to say there

were operators from the Lodi, Manteca, Tracy as well as the Stockton

Clubs. I want to thank all of them and encourage each in the section

to find your history or notoriety that speaks to you and join in.

This is a fun event but it helps to promote community. The restoration

project enlists students from the San Joaquin Future Builders Academy

that gives under privileged kids the opportunity to learn skills and

trades that will continue to be viable in the future. What a great way

to invest 2 weekends a month on a work project?

We need to remember Field Day, it is getting close. Get your PIO and

Field Day coordinator all the support you can to get the word out.

Post your locations on ARRL. Invite your friends, neighbors and

coworkers to your site. Don't have a site, look up one on ARRL and go

play Radio! Bring a relative, younger is always good. Show off your hobby.

Don't forget our HR-1309, write your letter! Check out ARRL Pres. Kay

Craigie, N3KN, her remarks regarding the sponsorship. To write your

letter go to : www.arrl.org/hr-1301 . To read Kay Craigie's, N3KN,

note: www.arrl.org/news/letters-to-members-of-congress

1100Z-1700Z, Jul 5

+ QRP ARCI Summer Homebrew Sprint
2000Z-2359Z, Jul 5

AMATEUR RADIO CLUBS

CLOVIS ARP ++ The Club is teaming up with W6TV and new equipment to operate in the GHz during the contest this weekend. Headed up by Rob, AE6GE and W6YEP they are intending to set some high water marks in those frequencies. The Field Day will be off to the mountains with 4 wheel clubs in the area. www.k6arp.org/

FRESNO ARC++ Dave Smith, W6TE remembers John Stephenson, KD6OZH (SK) and his work with AMSAT, NASA and TAPR. Big plans are in the works for Field Day, chaired by Ron, N6MTS. Great instructions on the VHF/UHF North-South operating hour on Field Day recommended by Chip, K7JA. www.w6to.com

LODI ARC ++ Bob, K6DGQ, showed off a nice plaque he received for being one of the operators for the W1AW/6 special event stations. USS Lucid was visited by some of the Lodi Club. lodiamateurradioclub.org/

LOS BANOS ARC ++ The Club remembers Gus Villalta, WB6QXE (SK) recommending the following link www.youtube.com/watch?v=nNZ3vtUHktA . Ken, KF6FDK (Merced ARES EC) presented a talk on preparedness sporting his "go box" of radio equipment. Nicely done Ken, we all need

to
be prepared for any event. www.aa6lb.org

SIERRA ARC ++ Field Day at Kennedy Meadows plans are all in place.

Harry K6HLS (Pres.) all set except for antenna choice. BARC and SARC

in the Park was deemed another successful collaboration. June meeting

will be on Arduinos. www.qsl.net/wa6ybn/

SEQUOIA ARG ++ Al, N6ALP has resigned as news editor. A very good

producer of the Club's newsletter, the pres Pete W6S, says. He is in

hopes he will continue to submit articles. Turn by turn directions to

Field Day are included. Good information concerning RFI from W1RFI.

www.n6krv.org

STOCKTON DELTA ARC ++ NZ6Q, John reported; Museum ships weekend just

concluded as I am writing this newsletter. Not only did we have a

great time operating, but also we enjoyed a fantastic meal – first

ever served in the restored ship's galley. Your ARRL Section Manager

was in attendance. Operators came from several valley clubs to check

out the ship and grab the microphone or key. Over 500 Qs were logged

by Saturday night. Next up Kids day on the 21st and Field Day. We

will have a full report in the July Flysheet. www.w6sf.org

TURLOCK ARC ++ Grady K6IXA, had a presentation on Winlink. Suggested

Winlink.org for more info. Rick K4REF on You Tube has the details on

how to get started. No TNC required with Winmor software.
www.w6bxn.org.

The following Amateurs became Silent Keys since the last report:

"Sid", WA6NWP and Gus, WB6QXE.

They will be missed.

Need to take an Amateur exam? Are you having an exam? Check the ARRL

web page, www.arrl.org/arrlvec/examsearch.phtml for exam information.

You can also search for Amateur Radio Classes in your area and register

your exam. Instructors can also register classes there.

Card Checking in the Section: You can get cards checked for awards

within the section. W6XK, K6ZZ, and W6DPD can check your cards for DXCC

in accordance with the rules for field checking. DXCC card checkers may

now check cards dated from Nov 15, 1945, including Deleted DXCC

Entities. K6ZZ can now check 160 Meter Cards. DXCC card checkers may,

at their discretion, check cards for WAS, WAC, and VUCC. W6DPD and K6ZZ

can check cards for the CQ Awards, WAZ, DX, Field, and Prefixes. The

card checkers may also check applications for the IARU Region 2 Award.

ARRL Special Service Clubs may appoint a HF awards manager for WAS and

a VHF Awards Manager for VUCC.

The Webinar by Hank Garretson, W6SX, has been posted to the WWROF

webpage (www.wwrof.org) under the Webinars link. Hanks presentation

will be of particular interest to "Little Pistols" and those who are

space limited. He added a link to the elevation plot which can be

viewed at <http://www.heywhatsthat.com/> It's worth checking out! Also

the Ladder Snaps in the presentation can be found at http://www.73cnc.com/product_p/ls100.htm You can e-mail Hank at w6sx@arrl.net for additional details.

The K6RAU (our Traffic Manager) Morse Code Instruction Course is available at www.pdarrrl.org/K6RAU or www.pdarrrl.org/k6rau. No need to know a "dit" from a "dah", simply with paper and pencil, and following the instructions. CWops Tests are held weekly – Every Wednesday at 1300Z, 1900Z, and 0300Z (Thursday). Info and rules at <http://www.cwops.org/cwt.html> .

San Joaquin Valley Nets:

The Noontime net meets on 7.268.5 MHz. This net handles a lot of messages.

Daytime Region 6 Traffic Net meets daily at 3:30 pacific time on or near 7.275 MHZ. This one is probable not in operation at this time.

The California Traffic Net meets daily on 3.906 MHZ and 6:00 PM local time.

The Golden Bear Amateur Radio Net meets nightly at 7:00 PM local time on 3.975 MHZ.

Northern California Net (NCN), the Section Traffic Net, meets nightly on 3.533 MHZ at 7 PM Pac Time.

San Joaquin Net meets Monday-Saturday on 3.918 MHZ, at 6 PM Pacific Time.

Western Public Service System (WPSS) meets nightly on 3.952 MHZ, roll - at 7:30 PM local Pacific Time.

The Mission Trail Net meets nightly on 3.856 MHZ at 8:00 PM local

time.

Northern California Net 2 (NCN2) The slow speed training session of NCN, meets nightly on 3.533 MHZ at 9 PM Pacific Time. Handling traffic on CW is a good way to improve your CW skills.
