

SAN JOAQUIN VALLEY SECTION

Report for the month of April 2016

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, OOC N1VM, STM K6RAU, PIC vacant, TC W6TE.

WOW! Here we are in May and there is a lot going on. The VHF Contest and Field Day are next month. Dayton HAMVENTION, Armed Forces Crossband, MARS/DHS drills, National Parks on the Air and all the QSO Parties.

Weather has been fantastic so I'm sure Antennas have been upgraded, installed, replaced or repaired. You can't have new antennas without new gear. The modes, oh my all the modes. We have PSK, Packet and CW, of course, then there is JT, SSTV, Video, FM and old AM. Now add MESH Networks and all the digital modes, voice, video and packet. Looking forward to Phase IV satellite and ground stations, cube SAT micro SAT. Kids winning awards for loop antennas and SAT construction. Like I said, Wow!

I don't think this is CB or old tube radio exclusively. Amateur Radio is even back in 600 Meters while Raspberry PII's control everything with Linux GPL.

Tell your friends, your relatives even those not so close.

There is a future for Amateur Radio and a present and a past to expand. Bring them to Field Day or any other public event

Remember to support "The Amateur Radio Parity Act". Go to the link on the ARRL website <http://www.arrl.org/amateur-radio-parity-act> . We have to continue the support for this legislation.

73;

Dan Pruitt, AE6SX

There was an error on my part in April's SM Report:

I am happy to report that JOHN, NZ6Q, IS WELL and will be on
the USS

Lucid for Museum Ships Weekend!

I will blame it on my ineptitude in cutting and pasting his
notice of
an SK from the Stockton Club.

My apologies for my error and especially to John, who
humorously
informed me of my oops.

God Bless and 73 John.
