

Club meeting and Presentation

Mar 14

Greetings everyone. I hope everybody is still on the air after the storms that have hit us recently. My wire antennas are back up and batteries recharging.

Thursday March 14 we will have a special presentation by Alan Thompson, W6WN, who was involved in relief efforts during the Camp fire. He has some interesting insights and will be sharing them with us. Please try and attend this event.

Chuck, W6AJW, will be sending out the full meeting agenda shortly.

Meeting at Round Table Pizza. HWY 4 and 49, Angels Camp, CA
6:30 pm (arrive earlier to eat dinner and socialize)
