ARES/RACES

Team,

The Walker fire is now at 1000 acres and has 0% containment. There is a Evacuation advisory for the area. We have a few ARES team members in the area, if they have any frontline information, please sent it to me.

Here is the Cal Fire incident webpage https://www.fire.ca.gov/incidents/2020/6/16/walker-fire/

I will keep you posted, be Safe,
