

Museum Ships Weekend

**MUSEUM SHIPS WEEKEND IS ON
FOR JUNE 3 – 5**

Museum Ships Weekend is back for 2022 and we are planning to be aboard the USS Lucid again. We will be operating from 0000Z June 4th (5:00 PM June 3rd) until Sunday June 5th – shutting down at 1200 noon.

Sponsored by the Battleship New Jersey Amateur Radio Station NJ2BB, MSW is a great operating event especially for new hams with little HF radio experience. It's a great chance to be "the hunted DX station" and improve your listening and operating skills. Radio operation will be from a variety of vintage and noteworthy vessels. This is not a competition – it is an event.

All stations are encouraged to QSL the USS Lucid and we get a lot of QSL request that we typically answer during the July club meeting. There will be certificates awarded this year!

Some ships also may be found on 75 meters (3.880 – 3.885 MHz) and on 40 meters (7.290 MHz) using AM, some using the vessel's

original restored equipment. Information Courtesy of W6SF

Additional Information can be found on the Stockton W6SF club Website;
