

Death Ride 2022

On Left Gary KG6ZLG From The TARA Club and On Right Mark N6ARP from CARS

I know we will hear more information on this Club collaboration between TARA and CARS for this scenic and challenging Cycling event. Many enhancements between Linking Repeaters kept Ken AE6LA and Mike WA6ZTY busy to provide adequate Radio coverage for the many Cyclist.

A JOB WELL DONE FOR ALL WHO HELPED OUT ON THIS EVENT!!!!!!!!!!!!!!
