Home from the hill...

Field Day is in the books and the reports are in. Most of the News

Letters address the plus and minus ends of the expedition. All in all

everyone was well fed, had fun and had good learning experiences. I have noted a few.

We have some housekeeping to do in the section. Some of the Clubs have

not updated their affiliations with ARRL. Please attend to this as soon

as you can. I am looking to contact those that HQ has noted as being

out of date. It is a simple fix.

We have a vacancy in ARES positions, most notably the Southern District

Emergency Coordinator (DEC). Formerly filled by Hal KC5LUB, he was

forced to step down for personal reasons. He was an effective coordinator for many years, not only in SJV, but in other sections/divisions as well. Anyone interested in this or any of the

current vacancies, please contact Ed KF6FIR, Section ARES EC via email:

ed@kf6fir.net .
