

# Rim Fire Info

ON August 19 2013 at 1700 HRS, WB6GGY Phil ( RACES radio officer) and NI6Z Carl (ARES Emergency Coordinator..) were alerted to the possible need for Amateur Radio assistance for what was now called the Rim Fire, ( after the area where it was first spotted.). We were requested to assist the RED CROSS in setting up an evacuation center at Tioga High School in Groveland CA. for people coming out of the fire area from the community of Buck Meadows in Mariposa County.

Grayson KE6KYI and myself (NI6Z) arrived at the Shelter and were met by several evacuees from the Buck Meadows area and the Principal of the School.

RED CROSS volunteers from the Sonora Chapter arrived about an hour later while KE6KYI and I were setting up communications with the RED CROSS office in Sonora (where we have a VHF Amateur station). The Shelter ops were secured on the morning of August 20, 2013 and relocated to the Tuolumne County Fairgrounds in Sonora CA.

Myself and KD6FFX Melissa, had been placed on a standby advisory evacuation notice. At that time we started making preparations to leave our home in Pine Mountain Lake. (Groveland CA.). Gathering up important documents, Photos, and other irreplaceable Items. On Thursday evening, (August 22 2013) the Smoke was more than we could handle so we packed up

our two cats  
and left for Sonora. taking shelter at the home of WA6AWC  
Paul and his wife  
Dean ( KG6GBZ), remaining there until Sunday (August 25 2013).

ON August 20 a request was made by Tuolumne County OES for  
Amateur Radio  
Assistance, our Help was needed to staff the RED CROSS  
Shelter at the  
Tuolumne County Fairgrounds and Staff the Community  
information phone system  
at the Tuolumne County EOC. WB6GGY Phil, the county RACES  
Radio officer and  
NI6Z Carl ARES EC, started up our "in place" phone tree / call  
out, and soon  
had a number of volunteers for both locations as well as some  
on standby  
status in case there was a need for Amateur radio in other  
communities,

Here in Tuolumne County, The Amateur radio community wear  
several  
different Hats, ARES, RACES, VIP, and CERT. If needed we can  
respond and  
change affiliations as conditions change. At present,  
Tuolumne County ARES  
and RACES are still activated.

my personal thanks goes out to those who volunteered their  
time at all  
locations.

The following Amateurs spent a total of 220 hours staffing the  
Shelter

WA6AWC Paul, W6MVM Mike, KK6EXN Dave, KB6COZ Jeff, NI6Z Carl,  
KE6KYI  
Grayson, AE6LA Ken, and KK6BNY Dave.

The following Amateurs spent a total of 560 hours staffing the  
PIO Community

information Telephones at the EOC.

KE6RGP Barbara, WA7MOB Paulann, WB6WFF Fred, KJ6WHR Larry,  
KF6OUT Carole,  
KF6UUU Frank, KJ6OC Carol, AE6RN Sterling, K6MAB Miriam,  
KE6FEY Preston  
(PT) , KK6TE Bob, K6VMV Ed and his XYL Tina.

I just received notice that the Amateur radio Shelter Ops  
were being  
secured at 1300 Today August 29, 2013.

73 de NI6Z Carl Tuolumne County ARES EC./ Asst RACES Radio  
Officer.
