

November 9th TARC Auction

Please advise your members of the up coming Turlock Amateur Radio Club Auction November 9th... NO estates listed so far, I guess this is good... It does provide an opportunity for those who have been wanting to recycle existing equipment in the ham

shack...

We have a new influx of equipment

to list, so keep checking the www.w6bxn.org website for additions... If as previous history indicates, several will show up with equipment having not listed on the web page...

Could be some real sleepers this time... Come & have a great time...
