

SAN JOAQUIN VALLEY SECTION

Report for the month of

October 2013

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS,
ACC W6DPD, SEC KF6FIR, OOC N1VM, STM K6RAU,
PIC K6QI, TC W6TE.

Here come the Holidays!

As the weather turns for our Section, it is time to start snuggling into our shacks for the fall and prepping for winter. Hopefully you have all your antenna work done and you have heat in the Shack, hi hi. Field operations are on hold for a while.

This means it is a good time for planning our next escapade. Could be an IOTA, QRP, different mode like digital or a full on DXpedition. It is also a good time to invite some one to help you plan, operate and enjoy Amateur Radio.

Please take the opportunity to advertise our hobby while you slurp some coffee or attend meetings at other venues. We need new and younger HAMs to perpetuate the hobby.

Check out the news items and contests and get on the Air!
