

# CARS Christmas Donation Basket

CARS members,

Fortunately, ae6la, made a wise decision to cancel last Sunday's annual CARS Christmas Party due to freezing temperatures, causing dangerous icing on many roads in Calaveras County.

Unfortunately, we were all disappointed by the party's cancellation.

However, the "Christmas Donation Basket" planned for the party is still empty, and we would still like to make a "CARS Donation" to the Food Bank.

Last year, many members donated to this cause to help those less fortunate than most. Hopefully, your donation will help CARS reach its goal of beating last year's total of \$680.00 presented to the Food Bank.

It is not too late to donate to the Food Bank by sending your check directly to CARS, Inc, which in turn will make a check out to the Food Bank for the total received. Please try to send your donation to Bill by December 21st or sooner....

Please be as generous as you can with your donation, and you will be informed of the total collected and presented to the Food Bank on behalf of CARS, Inc. members.

Send you tax deductible (CARS, Inc. is a non-profit organization)  
donation to:

CARS, Inc.  
PO Box 391  
Angels Camp, CA 95222

Attention: Bill Holmes, Treasurer

Merry Christmas to everyone...!!
