

SAN JOAQUIN VALLEY SECTION

Report for the month of

November 2013

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, OOC N1VM,

STM K6RAU, PIC K6QI, TC W6TE.

It may not be winter yet, but sure feels like it. Seems like the whole

country was put in the deep freeze. It won't be long before we start

Santa Claus duty, hi hi.

Most of the Newsletters refer to Christmas Party Plans and Thanksgiving

Day excesses. I do still notice references to "Goodwill" and "Charity". For this I am grateful.

Allow me to reflect on what I am Thankful. Not the least is Amateur

Radio. I have been around enough of the world to know we are very

lucky to have our frequencies, power and lenient regulations. I

suggest we preserve and treasure them highly. It would not take much

to lose any part of it, at the drop of a hat.

Looking forward, don't get caught up in the mercantilism of the season.

Remember the origin of salvation and the power of giving. Be kind and

generous now and all year long.

Merry Christmas and Happy Holidays to you all!

73;

Dan Pruitt, AE6SX
