

SAN JOAQUIN VALLEY SECTION Report for the month of December 2013

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, OOC N1VM, STM K6RAU, PIC K6QI, TC W6TE.

Happy New Year! It is 2014.

Well we crossed another year off the calendar. I can say I'm very proud of SJV over this last year. I've seen the enhancing of repeater systems, repairing of last winter's damaged antenna systems and increased disaster training. There has also been the reformation of clubs and some new ones. Some Elmering but I would like to see more of the youth involved. In fact a Section Youth coordinator would allow direct input from the text generation. Inspire satellite and ISS contacts and also help promote Amateur Radio in the Scouts and Schools.

Please send me any recommendations.

ARRL has many opportunities to play radio in this Centennial Year.

Certificates to be had, just for being a member. W100AW (Newington W1AW), the Centennial QSO Party is a yearlong event. W1AW/somewhere will spend a week in different locations. Visit WWW.ARRL.ORG/CENTENNIAL for details. There will be 2 West

Coast

Regional Centennial conventions, June 6-8 SEA-PAC–Seaside, Oregon and
October 10-12 Pacificon–Santa Clara, California

What is on your agenda? What are your goals? I would be happy to offer any help available. I can do a program on ARRL or Amateur Radio.

Let me know as soon as possible and I will get you on the Calendar.

Please check your Clubs status as an affiliated Club and update your information annually. A contact person is required

Need to take an Amateur exam? Are you having an exam? Check the ARRL

web page, www.arrl.org/arrlvec/examsearch.phtml for exam information.

You can also search for Amateur Radio Classes in your area and register

your exam. Instructors can also register classes there.

Card Checking in the Section: You can get cards checked for awards

within the section. W6XK, K6ZZ, and W6DPD can check your cards for DXCC

in accordance with the rules for field checking. DXCC card checkers may now check cards dated from Nov 15, 1945, including Deleted DXCC Entities. K6ZZ can now check 160 Meter Cards. DXCC card checkers may, at their discretion, check cards for WAS, WAC, and VUCC. W6DPD and K6ZZ can check cards for the CQ Awards, WAZ, DX, Field, and Prefixes. The card checkers may also check applications for the IARU Region 2 Award. ARRL Special Service Clubs may appoint a HF awards manager for WAS and a VHF Awards Manager for VUCC. The K6RAU (our Traffic Manager) Morse Code Instruction Course is available at www.pdarrrl.org/K6RAU or www.pdarrrl.org/k6rau. No need to know a "dit" from a "dah", simply with paper and pencil, and following the instructions.
