Hello SJV,

Has anyone seen Spring? Weather was in the 50 – 60 range now it is 80 – 90, and going up!

It is just an observation but if you are involved with ARES® in support of the Fire Service, I see a need to be updating your contacts and action plans. I took a trip through Kern County, passing through Fresno and Tulare Counties, and every reservoir is empty! Some do not have enough water to even reach their dams. So Fire is the first concern.

Come later in the year they are forecasting (or praying) for an El Nino event. This means a lot of water and the calamities that brings. These are evident in the articles about the mud slides in Oregon, Washington, and Colorado.

The fun stuff is always good. Field Day is coming very quickly.

Public Service events are great ways to meet and greet and see another

smile, hi hi. Where I am 10 Meters has been very active so the other

money bands are working too.

Don't forget that Pacificon is an ARRL Regional Centennial Convention,

so put it on your schedule.

Many thanks for the Hospitality of the Ridgecrest "Sierra" ARC. I

welcome the chance to attend any Club meeting. Just contact me and we

can arrange the details.

73;

Dan Pruitt, AE6SX

STATION ACTIVITIES

N6DVR, W6NIF, and KI6QEL, KJ6HUP, and AG6BP are active on
JT65.

CLUBS

CLOVIS ARP ++ The season for Public Service events are in
full swing.

Rob AE6GE has 3 events in April alone. Mag Loop Antennas was
the latest

program presented by Mike, KD6LDA. www.k6arp.org/

FRESNO ARC++ Did you ever wonder what is in WD-40? Check
out the

"Skip" for April. The Fresno EC report, by Glen N6HEW, I
think

shows the direction of most EmComm. This includes social
media

(Facebook, twitter etc. Ron N6MTS enlightens us on the
reports

required of 501 (c) 3 corporations. www.w6to.com

SIERRA ARC ++ The rescue of five adult hikers, who became
lost in San

Emigdio Canyon was facilitated by hams like Bill, AB6CF and
Don KW6PMC.

Relaying position and situation to the 911 Center.
www.qsl.net/wa6ybn/

SEQUOIA ARG ++ Pres. Pete, W6SV highlighted the March program

from
NOAA, Skywarn. Great turn out. James Brotherton of the
National
Weather Service will repeat his presentation in Bear Valley
Springs.
After seeing Lake Isabella, I think they were hoping for
insight to the
water situation. Thank you Mike, KA6IYS and the Western Kern
Co. ARES
group command staff. Keep the EmComm moving forward.
www.n6krv.org

STOCKTON DELTA ARC ++ Dave, N6LHL and John, NZ6Q reported on
the
success of the Peddling Paths for Independence Bike Ride.
Mike, K6MDS
gave a presentation on transmitter hunting. A Joint Manteca
—
Stockton — Lodi transmitter hunt was suggested. www.w6sf.org

Tuolumne Co. ARES ++ Carl NI6Z submitted the Public Service
Report
form detailing the equivalent cost of communication and
volunteer
hours. Although there is no cost of volunteering Amateur
Radio and
there is no compensation, our portion would have cost the
authorities
\$4528.00 and 90 man hours for a 7 hour event. Again there was
no
compensation for this. It is merely an equivalent of the
voluntary
effort offered by the Hams.

TURLOCK ARC ++ Darren, K6RDJ briefed the club on DMR Radio and
D-Star.
Link is included in their ARC-Over news letter. Grady K6IXA,
talked on
the W4MQ remote base software. He also said the W6HHD D-Star
is back
on the air. www.w6bxn.org.

These Silent Keys were recorded, since the last report: Ted, W5ILA, Tom, KA6Z and Solomon, KD6GHC. They will be missed.
