

SAN JOAQUIN VALLEY SECTION

Report for the month of June

2014

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, OOC N1VM, STM K6RAU, PIC K6QI, TC W6TE.

June is in the books. We are now looking forward to the Centennial

celebrations in July. There were many events for radio participation.

The first weekend in June had the museum ship weekend and S. J. V. has

an ocean going mines sweeper that is being restored in Stockton by the

Stockton Delta ARC.

Then the VHF contest was well attended. Rovers and portable operations

where both on the air. The contest included an opening in the 6 m band.

Last, and my favorite, was Field Day. It was a little warm for my

taste, however all the sites I visited and a great time. All were

highlighted with great food in quantity and GOTA stations punctuated

with warm smiles and time comfortable surroundings. Some had air

conditioning, some did not but all were having fun.

I will be posting pictures from a different field day sites on the

section Page.

It looks like the 100 years of ARRL will be well celebrated in Hartford. I hope you have a chance to attend. However Pacificon will

be carrying the flag as a regional Centennial convention. So if you

miss CT, please join us in Santa Clara for the October convention.

73;

Dan Pruitt, AE6SX
