

Christmas Party 2005

Our party was a resounding success! Thanks to N6PGH and WB6QVU for again opening their beautiful home to our club. We had a chance to honor WB6MFV for his many years of dedicated service to CARS, especially in providing the WB6MFV/R (now NV6V/R) repeater. We're sorry to see you go, Doug, but we're excited for your new adventure. And, hey...we'll be seeing you on the air!

Congratulations to the new club officers:

President: AE6LA

Vice-President: K06HV

Treasurer: AC6CY (Lynn's not new, but he's been very faithful for many years in this position!)

Secretary: WB6QVU
