Minutes For the October 19,2000 CARS Meeting

The president, Ed Ule, Called the meeting to order at 1905 hr.
The treasurer's report by Lynn Bartcshi, AC6CY

Total Cash \$1,045.13
Repeater Fund \$221.00

There was a discussion concerning the future of CARS. A vote was taken and it was unanimously decided to maintain the liability insurance which is carried through ARRL.

Ways to bring additional active members into the club was discussed. A suggestion was made to obtain a roster of all of the hams in Calaveras County and contact them.

A motion was made to continue the monthly breakfasts and to have separate quarterly business meetings. This motion passed with a vote of 10 in favor and 5 opposed.

Don, WA6KML reported that the repeater would be supported by the Department of Energy. However, it was agreed that the club (CARS) should make a good faith effort to support the repeater.

Sandra, KF6QVE, said that the Nelsons would like the club to have its Christmas party in their home again this year. She suggested the second or third weekend of December. She also suggested that club members should assist with set up. Sandra will follow up with setting a date and further information. The meeting was adjourned at 2035 hr.

Respectfully submitted,
Marcia Barnum, KF6REW, Secretary
