

SAN JOAQUIN VALLEY SECTION

Report for the month of July 2015

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, OOC N1VM, STM K6RAU, PIC vacant, TC W6TE.

Everyone back from vacation? Time to start school again and even old

ops like me are learning new stuff.

We need a Public Information Coordinator (PIC). Someone who would like

to interact with hams, the public and myself! Please contact me. Soon

would be nice. Recommendations are welcome.

We are into August and looking at September so let me stress some items

while we still have some time. First is community service projects and

demonstrations. We need to be more visible to the public and to those

who will need to find us during a communications event. If you do not

already have a PIO in your club or group, have someone perform those

tasks and enlighten the next echelon to assist and assume the position

in the future. Done correctly, the Public will beat a path to your

door. Now you need to be able to receive them with open arms.

Remember, in serving the community, there are other ways to help

besides communications. Very satisfying. Plus you get to play radio!

Next is fun. The San Joaquin Valley Section's "Rally in the Valley" is now an ARRL Sanctioned Event. September 19, we will have

it again in Fresno. Although centered geographically, it is my intention to move it around the section in the future. There will

still be Public Service Communications as an established component.

This will include exhibitions, best practices and the Cal OES mobile

unit (MAGU) and demonstration of its purpose, thanks to Mutual Aid

Region Five (MAR-V). All are invited to show off their style of HAM

Radio. Club projects, best practices, and even Ham trivia in a Jeopardy-like game with prizes. Oh yes, there has to be a swap meet,

hi hi.

Finally, but very important; The Amateur Radio Parity Act is moving

forward, but we all need to help out. If you have not gotten your

letter to your representatives and Senators, then go to:

www.arrl.org/amateur-radio-parity-act

There you will find the status of the 2 bills in congress, who to

contact and how. It will also give you the exact wording and what they

are intended to accomplish. If you know a Ham that is not a member of

ARRL, at least get this link to them.

Many thanks.

73;

Dan Pruitt, AE6SX

AMATEUR RADIO CLUBS

CLOVIS ARP ++ CARP Summer Sizzler took to the hills! New venue in a

mountain picnic area takes a few degrees off the summer torment. Fun

Food and Radio, what more do you need, says Rob AE6GE, club Pres. Next

T-Hunt is September. Check out past hunts and schedule at

www.k6arp.org/activites/transmitter-hunt/ . The “Camp a long”

takes them further into the mountains to play radio on August 14 to 16.

The CA QSO Party from San Luis Reservoir in October.
www.k6arp.org/

FRESNO ARC++ VP Ken WA60IB is hosting the club picnic on 22 Aug.

Recently Jerry, K6PK0 has added a complete Heath station to

one of his

many operating positions. Excellent program by Raul Moreno Jr., about

Off-Highway Vehicle Program, Sierra National Forest, High Sierra Ranger

District. www.w6to.com

KINGS Co. ARC ++ Pres. Ed KA6PNL, in a meeting at the weather

station, alluded to some issues with the club repeater and various

sponsors. There is an ongoing problem in allowing access to the site.

LODI ARC ++ Jason, KE5JTS discussed the 2 meter net and 10 meter

nets. Suggested nets for 6 Meter and 220 MHz bands. Ron N6GKJ, presented a program on Emergency Communications. Very informative and

enlightening. lodiamateurradioclub.org/

LOS BANOS ARC ++ George, W6YD presents the Frequency
advertising Pizza

night! Lots of pictures of the July meeting. www.aa6lb.org

SIERRA ARC ++ Mike, WA6ARA includes some fine pictures of the
Club

Bar-B-Que, Field Day and an antenna party. Meeting starts at 7
PM from

now on. The INTERNET can be a great resource. One is ac6v.com
this is a

ham radio encyclopedia. . www.qsl.net/wa6ybn/

SEQUOIA ARG ++ Pete W6SV, gives good advise regarding Flash
Floods.

Many accounts of the in climate weather. On a site seeing
tour, a

most interesting was the Ad for a Bakersfield Chiropractor on
the back

of a program. You'll get a kick out of his using a "wonderful
new

instrument operating on the

principle of radio" says Al N6ALP. www.n6krv.org

STOCKTON DELTA ARC ++ The Flysheet is full of great ham stuff.
Field

Day description, Elmering with Manteca, and Lodi Clubs. News
about

the US Navy's rouge PCSat NO-44 that is blasting Europe every
hour.

Steve Alred K6SCA who was awarded "Top Score Rookie Effort"
from

2014 CQP. They are looking to 2015! Planning for "Ham Radio in
the

Park currently working.. www.w6sf.org

TULARE CO. ARC ++ Technician Class will start in Aug 2015.
Same day

as the meeting. <http://www.tcarc.net/>

TURLOCK ARC ++ General Meeting: August 11. www.w6bxn.org.

The following Amateurs became Silent Keys since the last report:

Dennis "Frenchy", KF6GJB, and Shirley, KB6BSF

They will be missed.

Traffic for July 2015:

ORS: W6SX 4 WS6P 844, K6RAU 12 Total 860
