

SAN JOAQUIN VALLEY SECTION

Report for the month of January 2017

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, aSEC

WL7C00, 00C N1VM, STM K6RAU, PIC KJ60UI, TC W6TE.

Hello San Joaquin Valley;

We need to talk. I need some help. Those of you with titles have

responsibilities. Not much, but if they are not performed, I am tasked

with extra work and I am unable to perform those things that enhance the

ham radio hobby. ECs, I need your simple monthly report to your DEC's.

They consist of your public service hours and volunteers. DEC's, your

reports need to go to the SEC and aSEC. These are then submitted to

Steve Ewald, WV1X, and I. It is a 5-minute report if the info is

collected during the month.

Beside that, it is antenna playtime, repair, construction and design.

There are a lot of opportunities for contacts during QSO parties and

hopefully increased propagation. Given warmer weather, it should be

more comfortable conditions for DIY and rig repair. I'm looking

forward to a great year! Hang in there and enjoy 2017 on the radio.

Remember to support "The Amateur Radio Parity Act". Go to the link on the ARRL website <http://www.arrl.org/amateur-radio-parity-act>. We have to continue the support for this legislation.

For us in California, go to the link below to leave your opinion regarding the new "Hands Free" law.
