

SAN JOAQUIN VALLEY SECTION

Report for the month of March 2017

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, aSEC WL7C00,
OOC N1VM, STM K6RAU, PIC KJ60UI, TC W6TE.<<

Hello Central Valley,

One quarter of the year is gone and the weather is still with us. I

have replaced the coax on my VHF/UHF antenna. Still need to put up a

new HF antenna I constructed. I have plenty of projects to push toward

completion. Seems I have a lot of home projects and "She who must be

obeyed" has a list of requests. Where is the end?

I do know there are public service events that are on everyone's

agenda. As I read the newsletters, I see they are universal.

It is

good practice and good Public Relations. Keep up the good work. We

need to perfect our craft and excel at keeping the events as safe as

possible.

Mind the new laws and support the Parity Act. Be recognized by those

in responsible positions in your respective counties. If you have a

cabinet position, be forthcoming with your monthly reports.

Remember to support "The Amateur Radio Parity Act". Go to the link

on the ARRL website
<http://www.arrl.org/amateur-radio-parity-act>. We
have to continue the support for this registration.

Also put your 2 cents in to repeal or amend AB1785.

https://www.change.org/p/correct-ambiguities-of-ab-1785-cvc-23123-5-cellular-hands-free-public-safety-law?utm_medium=email&utm_source=51137&utm_campaign=petition_update&sfmc_tk=mW3mGXktAjHb8xs4Ad9LM4SBpdi3qWsdsKXvFlsYvHvL2f7T3hh3AuVcVh6mR19W

+ New England QSO Party 2000Z, May 6 to 0500Z, May 7 and 1300Z-2400Z, May 7

CLUBS

CLOVIS ARP ++ Clovis Club organized in conjunction with Fresno ARES/RACES/SATERN to offer communications for the Blossom Trail and California Classic lead by Rob, AE6GE. Rick W6KK0 supervised the by-monthly Fox Hunt. Field Day and the Climb to Kaiser will be done simultaneously, at Pineridge school. www.k6arp.org/

FRESNO ARC++ Ramrodded by Joe WA6FFJ, the club discussed many topics, The news letter's hi-lite offered a 100KC. Project. A recap of the Fox-Hunt was explained and the support for the March of Dimes was detailed.. www.w6to.com.

SEQUOIA ARG ++ April 08, 2017. Was our Weldon Annual Pot Luck and Swap Meet, says Al N6ALP. www.n6krv.org

STOCKTON DELTA ARC ++ I encourage everyone this month to check into a

net – maybe while relaxing on the patio or porch and using your HT or Go-Box. W6SF Monday ; SARA Tuesday; Tracy and Lodi both are on Wednesday nights; W6SF 10-Meter net on Thursday; Space Net on Friday's on the SARA repeater, just to name a few. Don't forget to check into the noon-time net on 40M. On Saturday there are several HF nets. With all the things we do, it's easy to push radio to the back of the list until suddenly you haven't been heard on the air for quite a while. So take a few minutes this month and check into a few nets – you'll be glad you did and the nets will be better for the added participation. W6SFM, The SFM ARC would like to announce that we will once again be running our CW beginners course in Sacramento. ACES training considered a success. www.w6sf.org

TURLOCK ARC ++ It's broke! The March ARCOVER describes and shows the damage to the W6BXN repeater site. It depicts a disaster zone akin to a cruise missile impact. Repairs to the installation took 4 hams and 8 hours and is eloquently reported by Grady K6IXA. Caronell Majors was memorialized by Grady on her passing. Dick Decker, K6SUU will be coordinating communications for the Turlock Chaplaincy Run. The 11 April program was provided by Grady, K6IXA. Several years ago,

1997 the existing HF ham station became almost exclusive dedicated to

Winlink Pactor radio email. With three stations on 40, 30 and 20

meters, operation on 40 meters and above was out of the question. A HF

station with decent antennas requires more space than is on a city lot.

Chuck Mancebo W6GAM came to the rescue offering ten acres. We ended up

with a Remote Station, software designed by W4MQ and was accessible via

the internet anywhere in the world. In fact when Chuck and I were in

Thailand we were able to check into the Modesto commuter net run by

Mark WB6BJN.

The following Amateur became a Silent Key since the last report:

Ron K6OQ, Diane KD6UCX, Marcell K6YTK, Scot AG6IS and Greg W6CNJ.

.They will be missed.

Traffic for March 2017:

ORS: WS6P 2220, K6RAU 18 Total 2238

Need to take an Amateur exam? Are you having an exam? Check the ARRL

web page, www.arrl.org/arrlvec/examsearch.phtml for exam information.

You can also search for Amateur Radio Classes in your area and register

your exam. Instructors can also register classes there.

Card Checking in the Section: You can get cards checked for awards

within the section. W6XK, K6ZZ, and W6DPD can check your cards

for DXCC

in accordance with the rules for field checking. DXCC card checkers may

now check cards dated from Nov 15, 1945, including Deleted DXCC

Entities. K6ZZ can now check 160 Meter Cards. DXCC card checkers may,

at their discretion, check cards for WAS, WAC, and VUCC. W6DPD and K6ZZ

can check cards for the CQ Awards, WAZ, DX, Field, and Prefixes. The

card checkers may also check applications for the IARU Region 2 Award.

ARRL Special Service Clubs may appoint a HF awards manager for WAS and

a VHF Awards Manager for VUCC.

The Webinar by Hank Garretson, W6SX, has been posted to the WWROF

webpage (www.wwrof.org) under the Webinars link.

Hanks presentation will be of particular interest to "Little Pistols"

and those who are space limited. It's worth checking out!

Hank added a link to the elevation plot which can be viewed at <http://www.heywhatsthat.com/>

Also the Ladder Snaps in the presentation can be found at

http://www.73cnc.com/product_p/ls100.htm You can e-mail Hank at

w6sx@arrl.net for additional details.

The K6RAU (our Traffic Manager) Morse Code Instruction Course is

available at www.pdarrrl.org/K6RAU or www.pdarrrl.org/k6rau.

No need to know a "dit" from a "dah", simply with paper and pencil, and

following the instructions.

San Joaquin Valley Nets:

The Noontime net meets on 7.268.5 MHz. This net handles a lot of messages.

Daytime Region 6 Traffic Net meets daily at 3:30 pacific time on or near 7.275 MHZ. This one is probable not in operation at this time.

The California Traffic Net meets daily on 3.906 MHZ and 6:00 PM local time.

The Golden Bear Amateur Radio Net meets nightly at 7:00 PM local time on 3.975 MHZ.

Northern California Net (NCN), the Section Traffic Net, meets nightly on 3.533 MHZ at 7 PM Pacific Time.

San Joaquin Net meets Monday-Saturday on 3918khz, at 6 PM Pacific Time.

Western Public Service System (WPSS) meets nightly on 3952khz, roll – at 7:30 PM local Pacific Time.

The Mission Trail Net meets nightly on 3.856 MHZ at 8:00 PM local time.

Northern California Net 2 (NCN2) The slow speed training session of NCN, meets nightly on 3.533 MHZ at 9 PM Pacific Time. Handling traffic on CW is a good way to improve your CW skills.

CWops Tests are held weekly – Every Wednesday at 1300Z, 1900Z, and

0300Z (Thursday). Info and rules at <http://www.cwops.org/cwt.html> .
