

SAN JOAQUIN VALLEY SECTION

Report for the month of April 2017

SM Dan Pruitt, AE6SX- ASMs K6YK and N2NS, ACC W6DPD, SEC KF6FIR, ASEC WL7C00,
OOC N1VM, STM K6RAU, PIC KJ60UI, TC W6TE.

Warmth! A welcome change. Field Day a little over a month away and

other fun things in Amateur Radio. All the clubs and EmComm groups are

enthusiastic about Public Service. A word, remember to operate at the

top of your skills. Dress the part, act professionally and listen.

Only talk when you have something to constructively contribute. If you

are new to EmComm then take the online free FEMA courses.

Learn from your leaders. What works in Fresno Co. may be unusable in Calaveras.

So develop a working plan before the fires start or a big accident

occurs on the interstate.

There is a lot of proponents of digital voice radios. They have many

helpful features. However, just like the operator that only does VHF

and the guy he wants to communicate with, is only on HF. So it is with

a very good top of the line xcvr that wants to pass traffic to an old

Heathkit. Have more than one option. Myself, I have a

Heathkit dual
bander and other mostly HF Heathkits that I enjoy. For
dependability, I
have a Kenwood on HF and Yaesu at 75 watts on VHF. In the
car, I go
from near DC to 440 MHz. I like these new xcvr designs, get
the most
compatible one. Just keep that dual bander around.

Remember to support "The Amateur Radio Parity Act". Go to the
link
on the ARRL website
<http://www.arrl.org/amateur-radio-parity-act>. We
have to continue the support for this legislation.

73;

Dan Pruitt, AE6SX

CLUBS

CALIFORNIA CITY ARC ++ The club is supporting W6LIE as Kern Co. Parks
on the air www.kcpota.com Check out their website.
www.ke6rn.com

CLOVIS ARP ++ Clovis Club has had very interesting programs
including
digital voice communications and satellites. Rob AE6GE
continues to
take the lead in public service events (March of Dimes, Kirch
Flat
Bicycle century and more to come). Rick, W6KK0 keeps the T-
Hunts going.
www.k6arp.org/

FRESNO ARC++ The Prez, Stu WB6VRJ is still looking for a
Field Day
Chairman and added Easter and Passover blessings, though
belated. SKIP
offered a great story of The HISTORY OF THE CAR RADIO that
has a very
familiar company name. The Fresno VE quarterly exams are 20
May.
Charles W6DPD lists the DX outlook. Glen N6HEW gives great
advice in
his ARES/RACES newsletter. John K6MI reviews the DX
convention in
Visalia. www.w6to.com.

SIERRA ARC ++ Bob, AD6HF: The Blue Angels special event
station logged
888 contacts. Next meeting is on "Homebrew" projects. SARC &
BARC in
the park – Lone Pine park was April 29,

it is always a great event to connect the orphan clubs of Bishop and Ridgecrest. Nice pictures. www.qsl.net/wa6ybn/

SEQUOIA ARG ++ WHEN SOUND CARDS ARE A SOUND IDEA is the title of the history of interfacing radios and computers. Check out the article and as always the history of the Kern River Valley from Al, N6ALP. Skip, N6SR says get out your portable stuff for Field Day. Next meeting will be supporting Kern Co. Parks on the Air. www.n6krv.org

STOCKTON DELTA ARC ++ The club has to decide on antenna set-ups for the Museum Ship and plan a work day to set them up on the USS Lucid. Museum Ship Weekend is June 2 to 4. John, NZ6Q reminisced on 86 years of Club History and Public Service. He also remembered a friend Joe N7SPD, now SK. John also suggested going to QRZ and view the W6SFD page referring to their association with the Stockton Fire Department. Parachute Mobile is set for 13 May. QSO frequency will be 146.430 MHz simplex. We will also be dedicating one jump for D-star. Locally, D-Star will be via the W6CX C repeater on Mount Diablo, output 145.000, input 147.500, reflector REF014 C. Plans are to conduct an HF jump on 20 meters at 14.250MHz. www.w6sf.org

TURLOCK ARC ++ Wireless handset law is discussed with good news, thank you Grady K6IXA. Buck Rock is getting an upgrade. Paul

Lambert

of Cooks Communications is putting a pair of Kenwood TK-8180 Units

which make a very solid 20 watt repeater. Great nostalgia about local

hams, Hewlet/Packard and Dean W6HAB. Want MESH networks, see Ken,

KF6IDK w6bxn.org/arc-over/

The following Amateur became a Silent Key since the last report:

.KA6CTF Gary, WA6HCT Louis, WB6IYX Marion, KD6PLF Donald and WA6PTE

William.

They will be missed.

Need to take an Amateur exam? Are you having an exam? Check the ARRL web

page, www.arrl.org/arrlvec/examsearch.phtml for exam information. You

can also search for Amateur Radio Classes in your area and register your

exam. Instructors can also register classes there.

Card Checking in the Section: You can get cards checked for awards within the section. W6XK, K6ZZ, and W6DPD can check your cards for DXCC in accordance with the rules for field checking. DXCC card checkers may now check cards dated from Nov 15, 1945, including Deleted DXCC Entities. K6ZZ can now check 160 Meter Cards. DXCC card checkers may, at their discretion, check cards for WAS, WAC, and VUCC. W6DPD and K6ZZ can check cards for the CQ Awards, WAS, DX, Field, and Prefixes. The card checkers may also check applications for the IARU Region 2 Award. ARRL Special Service Clubs may appoint a HF awards manager for WAS and a VHF Awards Manager for VUCC.

The Webinar by Hank Garretson, W6SX, has been posted to the WWROF webpage (www.wwrof.org) under the Webinars link. Hanks presentation will be of particular interest to "Little Pistols" and those who are space limited. It's worth checking out!

Hank added a link to the elevation plot which can be viewed at <http://www.heywhatsthat.com/> Also the Ladder Snaps in the presentation can be found at http://www.73cnc.com/product_p/ls100.htm You can e-mail Hank at w6sx@arrl.net for additional details.

The K6RAU (our Traffic Manager) Morse Code Instruction Course is available at www.pdarrrl.org/K6RAU or www.pdarrrl.org/k6rau. No need to know a "dit" from a "dah", simply with paper and

pencil, and
following the instructions.

San Joaquin Valley Nets:

The Noontime net meets on 7.268.5 MHz. This net handles a lot of messages.

Daytime Region 6 Traffic Net meets daily at 3:30 pacific time on or near

7.275 MHZ. This one is probable not in operation at this time.

The California Traffic Net meets daily on 3.906 MHZ and 6:00 PM local time.

The Golden Bear Amateur Radio Net meets nightly at 7:00 PM local time on

3.975 MHZ.

Northern California Net (NCN), the Section Traffic Net, meets nightly on

3.533 MHZ at 7 PM Pacific Time.

San Joaquin Net meets Monday-Saturday on 3918khz, at 6 PM Pacific Time.

Western Public Service System (WPSS) meets nightly on 3952khz, roll –

at 7:30 PM local Time.

The Mission Trail Net meets nightly on 3.856 MHZ at 8:00 PM local time.

Northern California Net 2 (NCN2) The slow speed training session of NCN,

meets nightly on 3.533 MHZ at 9 PM Pacific Time. Handling traffic on CW

is a good way to improve your CW skills.

CWops Tests are held weekly – Every Wednesday at 1300Z, 1900Z, and

0300Z (Thursday). Info and rules at <http://www.cwops.org/cwt.html>.
