

HAM OPs NEEDED FOR THE “Ride & Walk4Art”, March 18th 2018

We need more hams to help provide communication on the 25/45 mile bike ride on Sunday March 18, 2018. We have sag positions and rest stops that need your support. Show off your radio communication skills and/or learn new ones. Great training exercise for em-comm. preparedness. More info about event at <http://www.rideandwalk4art.com>

Please contact Ken at: ae6la@aol.com or (209) 795-5947
