Hello All;

I'm putting this together to finish reporting 2017 and to get
2018 off
to a good start. Remember to support our new Director in the
Pacific
Division. I believe we will not miss a beat as Jim moves
forward.

There are some new things coming from ARRL concerning ARES and
Public
Relations. We have had a bit of recognition during the
disasters we
have experienced and we should continue.

February report is being edited as I speak and will be up to
date.

NEWS: From ARRL newsletters. Read complete articles from
December to
now.

Our most significant news was our Pacific Director being voted
as 2nd
Vice President for ARRL. Good luck Bob W6RGG!

This makes Jim K6JAT our Director.
