

Mr. Frog's Wild Ride.....Rides Again!

.

CARS is providing radio communication for this year's Mr. Frog's Wild Ride on Saturday April 14, 2018. It has been a very successful 50K and 100k bike ride benefiting Feeney Park in Murphy's.

Mike, N6AXQ, is asking for radio operators to help with this event. Come on out for some fun, sun, and can it be a learning experience as well. All levels of hams are welcome.
