

***** Happy 2020 New Year *****

73 from MARK, N6IV

I have been proud to serve as your Public Information Office (PIO) during my 2017-2019 term. It is time to turn over the reins to a younger more energetic sole, Mike, KB6USJ, who will inform you, entertain you, and keep you on your toes. Wishing all the CARS members a safe and happy Xmas season. May the New Year bring us better band conditions, more dx, more local QSOs, and happiness for all, (oh yes, add world peace). 73 for now and see you at the next Club Meeting, January 9th . MARK , N6IV
