

Mr. Frog Did Return

The scenic bicycle ride took place this passed weekend with 120 cyclists on the routes. Most of the riders setting a pace that sure was faster than a Frog, and brought back this iconic event after years of absence due to the pandemic.

Will the town of Murphys forget Mr. Frog Never, Never. The ride will be back next year, be sure to sign up!

Thanks go out to our CARS member who faithfully looked out for Mr. Frog's Cyclist!
