

# Successful VE Session

Four candidates took the Tech exam and all should receive their new call signs shortly. Thank you Ken Sanders – AE6LA, Sam Hernandez – WS6P, and Andy Thomas – NV6V for administering the exams this session. Please welcome the following new Amateur Radio Operators when you hear them on the air:

Rhonda Nussbaum, John Adams, Gregory Price, and Michael Hampton.

Our next exam session will be in Arnold at the Ebbetts Pass Fire District facility on December 14th.
