

# Christmas Party Canceled

We need to say "Uncle" and call off the party. We just came back from the Post Office and we have at least 5 vehicles in the ditch. The roads are plowed but glazed and that won't go away until it warms up. Today's high is expected to be 27, 11 tonight and a high of 31 tomorrow. We're sorry to miss having it. Maybe someplace else next year? 73, Ken Sanders – AE6LA President, Calaveras Amateur Radio Society
